Dear Jack,

Not to get too far off the subject but I think many younger people would be amazed by the little restaurants and bars in small towns all across PA that serve great food.

I don't think a lot of people just go somewhere to try it and see what is up anymore?

It's kind of sad, but then again I'm kind of old and miserable so I'm easily saddened. I just wish more people had a bit more of a sense of adventure and didn't rely so much on twitter and google.

Regards,

Tim Murphy 😊
