Okay it's time to get serious about planning. I'm starting this new thread so that we don't have to wade through pages of posts to see whose coming and what they are bringing. This thread will simply be used to update that roll call, use the other thread for all other correspondence about the event. Feel free to PM me with questions or for suggestions on what you can bring. Remember this will be a breakfast and lunch event, oh yeah and some fishing, casting and tying demos too.
