LOVE CUTTS! betcha can't guess where my avatar was taken! Hit the Blue in Dillon for a strange shopping mall fly fishing fusion. Possible double digit bows on size 20 Mysis shrimp. A Blast! Beaver ponds on the North side of Pikes full of Brookies on every cast. Don't forget the Dream stream for a humbling experience and Elevenmile Canyon for great Baetis action in the Autumn. Would live there if I could afford it. Great photos above 12,000!
