Be prepared for heavy crowds at Promised Land State Park if you're going on a weekend. Although it's not brookie fishing Peck's Pond is very close by and offers excellent small and largemouth bass and pickerel fishing and 2 boat launches.

Egypt Meadow and Bruce Lake are nice hike in lakes, both very scenic and decent fishing. Egypt Meadow is a short walk, Bruce is over a mile each way.

If you don't have a boat be prepared to pay New York style rates for boat rentals, especially at Promised Land Park.

The trout streams are likely to be low with warm water temps by that time of the season.

If you fish Promised Land Lower Lake try some poppers or dry flies by the pads, both the Lower & Upper Lake have panfish enhancement regulations and the gills get pretty big.
