little pine is nice, English run flows past the campground and has brookies in it.

lyman run st park might be good, lyman run has some nice fish and is a pretty easy walk.

hyner run has camping along the stream, and I've caught fish there in the past, but I haven't been there in a few years so I don't know how it's been fishing, but the campground is nice, with a fairly new shower building, and I also think they have a swimming pool.

another option is sizerville st park near emporium, stream runs right past the campground, a short walk and you can find some fish.
