Remember that thing I gave you when your brother ditched us at Spring Creek? A fluffy mess of rabbit hair on a hook?

Just tie that, but instead of having the hair point straight up, it points back because you bound it down like it was the elk hair in the EHC.

Everyone wins, aren't you lucky glad you bought a rabbit's foot?

The Usual, right? I recall you being a consistent proponent of that fly. I need to tie some.
