Also, when you fish alone: When you get home, you can lie about how many fish you caught and how big they were, and no one can contradict you.

Marriage hint: If you plan to get home at 9:00, tell your wife you'll be home at 10:30 or later. If you get home when you expect, then you're a hero. If you get home when you tell her, you're not in trouble.
