Thats good foxy .. AM for fishing ... afternoon for eating, BS'ing, questions and answers, casting, etc ... and I might possibly be hanging afterwards for more fishing depending on weather, time, plans, etc if guys are hanging afterwards.

FYI to any newbies thinking abt this but not sure ... last year was not only a blast but also educational and Stag's highly recommends it. The guys who come out and know what they are doing really do a lot (and enjoy it) to get you on fish and teach you a ton.
