Stag, thanks for the recommendation. 😊

Newbies, Intermediates and Experts like me (NOT!), all are welcome. If you don't have questions, then you probably have answers for the newbies. They are like sponges and soak up any info we want to share with them. And don't worry about what to bring, as we get more and more confirmed, I'll just start splitting things up. So maybe Volksnurse will be assigned soda and I'll assign water to someone else.

Trust me when I say, you may not catch fish (although we'll do our damnest to get you into some) but you won't go home hungry or without laughing a time or two. I've been known to trip over various things, so my falls are always good for a chuckle.
