It wasn't the LLH it was the perk. Where have you been we haven't seen or heard from you in over a year

Too much work. And every TU meeting seemed to land on a business trip or a trip to get my son from college. Haven't tied a fly in year and a half. Did get some hunting in last year though. Plan a week on Penns in Sept.

Good thing it was the Perk. You might not have made it home from the LL.
