I already checked out his website and his rates. Seems a little steep (I've never hired a guide), but I don't know the area at all, as you said-the regs seem NUTS, and it's a once-in-a-lifetime trip. A trip to the Alps will already cost me money, what's \$500 more bucks at that point? I'll definitely be using his services if/when I get over there. His mountain treks look amazing.
