I havent gotten into pa for steele yet but of the ny tribs the catt is my personal fav.

There is not a ton of difference in the small NY tribs and the PA tribs. The Catt really is the best trib across Lake Erie. It's big and takes some time to get to know. That makes it a little tougher if you don't live close. But man, if you are close to the Catt, not much reason to go any place else. Spectacular system indeed!
