Hooked,

Check out the following blogs:

[www.mrbrowliner.wordpress.com](http://www.mrbrowliner.wordpress.com) (that is mine)

[www.carponthefly.com](http://www.carponthefly.com) (John Montana)

[www.flycarpin.com](http://www.flycarpin.com) (Trevor Tanner)

They all have pretty good info on fly fishing for carp!

Also there are two books I would highly recommend. Carp on the Fly which was from Barry Reynolds years ago and The Orvis Guide to Fly Fishing for Carp which just came out from Kirk Deeter / Stonefly Press. The latter is a more up to date and a very easy read.

Hope that helps!
