Hi All

We'll already have 3 people who are going to float the Juniata Friday eve 7/26 and Sat Morn 7/27. Still working out some details but here is what we have so far....

7/26 meeting around 4 or 5 floating 4-5 miles from Thompsontown to Millersville and then camping near millersville. Maybe Pittmans riverside campground we can use it as the pull-out site. We will base drop off site based on what time we get assembled So we are not pulling out much past 9:30 or so.

7/27 Meeting around 6:00am in Lewistown and launch off of river access road then float 6+ miles to PFBC pull-out along 322 downriver from Lewistown.

I have a PU truck that can handle another 2 kayaks at pull out.

Let me know if you are interested...this is a bring your own boat float kayak or canoe.
