Girlfiend got me a GoPro for my birthday. Decided to take it out my first time flyfishing from a kayak. It was fun.

<http://www.youtube.com/watch?v=sBOVUcDOCM4>

First fish was a pickeral... second was a bass the drug me to a downed tree and wrapped me up in it... lost it...

sorry about the crappy music. youtube wouldn't let me use the original music due to copyrights.
