I go out on every trip expecting to be humbled, and usually i am!!

I hear what you are saying and i appreciate the honest assesment, i'll probably take a lot of lumps but hopefully learn something in the process. Thats all you can ask for right? I'm just happy to be getting away and to check out this awesome place i have heard so much about, anything more is a bonus!

I won't complain if you want to share up to date info when u get back either tho!
