Yeah, I just want to explore, and whatever happens, happens. 56 at Hale Eddy, amazing. What is it about 4-5 miles from Hale Eddy to sgl 299?

If you look at this map <http://www.portal.state.pa.us/portal/...spx?rgn=Northeast&sgl=299> it appears that the upper game lands boundary is actually off the river there, is that the case or can you fish that upper part right into the water. Did the game commission ever buy that cut out gap in the center or is that private property.
