I'll probably just canoe around the Thompsontown pool.

Floating from Thompsontown to Millerstown is a bit of a stretch (at least for me) in an evening. You can paddle straight through in a couple hours, but I like to take my time and fish. We'll see.

The PFBC boat ramps on the Juniata are well placed, many being on very good fishing pools that have deeper water. Both the boat ramps at Ttown and Mtown (Greenwood) are located on good pools for both wading or boating.
