Anybody here use Allen hooks? They're very cheap, free shipping and if you spend \$30 you get a nice fly box for \$3.75, spend \$40 you get 2 boxes for same price. Are they the same quality as tiemco or mustad? It's \$2.25 for 25 dry fly hooks sizes 8-20. \$7.00 for 25 tiemco hooks is kinda pricey IMO.
