I would like to try to have a final (as final as we can get anyway) list by this Wednesday so that I can advise people how many to bring food for. I'm thinking now with all we have coming there will be enough food for twice as many people as we have coming. So once we have a good number, I think it would work if everyone brought enough for half the number we have coming. I don't think any of the mods are coming but we'll probably have people stop by to say hello (we did last year) plus we invite Dave from the LL Fly shop to join us.

A couple people PM'd me to say they were thinking about it but I haven't heard back from them, so if you plan on attending, please let me know.

Thanks,
Fox
