I will throw my hat into the ring.

PM me with what is done and what needs to be done. I'll do my best.

SEPA. Boys: if you want to go hit me up at TimRobinsin on Facebook. We can get a group together to split the gas.

It's always a good time and we should have a good year. Maybe we can get steelhead alley legend PatrickC to give a talk on rigs and tactics. Someone from the 'burgh nail down the Orams and we'll be set. Lets get this party started cuz it's right around the corner!
