Thanks ryguyfi and albatross. Just took a look at the Pursuit and it's \$20 bucks more but that's still not bad. I'll have to take a look at the details and see which one I'd like better I guess. My next rod will almost definitely be a 10 footer. My 9 foot rods work fine, but yeah I do believe I'd probably do better with a 10, especially on the Ohio tribs. Thanks for all the input.
