This Saturday? As in the 27th? Wow, what a coincidence... I was planning on going fishing for the day. I'm glad I sought this out today, had I waited a few days, I'd have missed it!

Thanks a lot for pointing me in the right direction, I can't wait to give it a shot.

EDIT:

Um... I just looked at the directions you posted, and that's an hour drive from here... Actually not so sure I can do that Saturday. I got excited when you said it was a half hour drive.

So, back to my original question I guess.
