fwiw I have been very rough brookie fishing with my crazy expensive Columbia Omni freeze airgill shirt and it has held up well...

I hate heat and will try anything to be cooler

Im so cheap I didnt even buy one of these omni-freeze shirts at 60% off. I somehow ended up getting one for free somewhere along the line. A long sleeved light blue shirt. Man, its a nice shirt. If you can get one at a discount, they are excellent. I wore mine yesterday.
