Woolrich when they have the big sales at their store location in Woolrich, PA. Since I live 10 minutes from there I can get quality shirts for \$15 or so. Got 2 great raincoats for \$12 each. They fold up and are very light. I keep an olive colored one in the back of my vest and got a blue one for Penn State games.

Oh and believe it or not TJ Maxx sometimes has "fishing" shirts there...even the Under Armour. Just a matter of finding your size.
