FALL/WINTER=DEER HUNTING

WINTER (AFTER CHRISTMAS)-OPENING DAY OF TROUT- TROUTFISHING

FIRST DAY OF TROUT TO JUNE 1ST = TURKEY HUNTING

SUMMER-OCCASIONAL TROUT FISHING/SHOOTING MY BOW SCOUTING

I don't like the crowds and hammering stockies aren't my thing anymore. Spring turkey took over this void and I am an addict now.

Fall I switch gears to deer hunting. and Summer is laid back, spend a lot of family time.

I also am impossible to get from a tree or the woods in general in hunting season. If I get my buck in archery I am typically found in Erie on the first day of buck.
