Well, I am back on the roster. djs12354 has generously offered to meet me and allow me to ride down with him. So I will be here after all! Thanks for the help. I'm glad I was pointed to this forum when I was, a couple more days and I'd have missed it!

You guys seem like a tight-knit forum... I like that. The forum I was on when I was referred here is the same way, we do meet ups and barbecues all over the place. Looking forward to meeting some of you guys now, too.

You will find out tomorrow. We really like each other despite how much abuse you see them give me. dsj is a pretty special guy and him doing this surprises me about as much as snow surprises me in the artic!

Fox, in your case it's more akin to "tolerate" than "like" ;->
