JackM- just one more tale, I'm late to the party. My Brother in Law lives in Bozeman and his best friend guides for Sweetwater Travel in the summer and guides for elk in the fall. When I visit my family he takes a day off and we go for a drift on one of the many great rivers for no charge. At the end of the day we get some beer and burgers and I slip him a tip...\$400 because its what he does for a living and he gives me the best day of my year. Its what its worth to me and I appreciate that I am able to do it and enjoy a day with my brother in law in the prettiest place on earth.
