Dear Jeremy,

If I were you I'd make sure I spent some time at Raystown too.

You'll be close enough that it won't have to be a weekend affair. If you got a float tube or kayak I'll bet you could catch anything from stripers to trout in some of those coves depending on the time of day and the time of year that you get out. I'd definitely work on learning the lake if I lived that close.

Good luck with your new gig and have fun!

Regards,

Tim Murphy 😊
