Another great day with all u gents and ladies. Just finished up and going to head home in a bit ... wanted to give another thank u to the guys who put this together, helped on the water and off with instructions, preparation of food, and the PAFF members in general, etc, etc.

Seemed to me everyone had a really good day and I had a blast. Was great putting some faces to the posters, seeing old ones, etc, ... it doesn't even surprise me anymore that I haven't met one person from this board who just isn't good peeps.

//Old lefty is just magic with the fly rod and great to watch and listen too. Shinola was geat to watch and listen ... and he tought me a new useful cast amongst others
