I may head out to VC one evening this week ... if I do (figure after 1PM and/or after 4PM) what flies do you guys recommend that time of the day ... consider I don't see much rain in the forecast and weather looks similar to ystrday and today for the next 5 days?

If I end up pulling the time to head out there I'll post a quicky here and would love some company if any of u gents r interested
