We need to find a pic of a fox in a pair of tightly whiteys.

No.....we don't. Troutpoop and I were traumatized for life when Fox ran through camp in them. He needs to buy a bathrobe ASAP.

Stagger - the "benchmark" for the end of the tricos is the first heavy frost. Sometimes as late as November. Hard to say, but typically they're done in October.

The spinnerfall gets later and later as things cool down. I've seen it happen in the afternoon late in the hatch.
