Man, that's the best self portrait I've ever taken, furthermore, I look young, I'm not entirely bloated and my hair is majestic and wonderful.

Anyways, not sure how I'm a "professional Internet troll," mainly for two reasons. One, I don't make money on it. Two, I simply used an illustration to back up your suggestion that there's times when every foot counts.

Anyways, you see those new reels designed specifically for this style of fishing? Probably not comp legal, but they're pretty awesome none the less. [Check it out](#).
