URL:

2 new products just hit our store. Check out our SLIM fly boxes. At just over 1" thin, they save space and look awesome in the process. Also, we have 2 patterns in our new seamless headwear. Lots of style possibilities with these to keep you cool in the summer. Hop on our site and we know you'll love our new products as much as we do.

www.risenfly.com

(we have another new fly box being released soon as well)
