SW Montana twin bridge area is a great spot for fishing top rivers. went with these guys for a week last fall and had a great experience

<http://www.4riversmontana.com/>

the north platte river in casper wy is a real sleeper of a fishing location. lots of big fish. went with these guys

<http://www.crazyrainbow.net/Guided-Services/Fly-Fishing/>

and this is a great place to stay. you can also arrange a guide thru them too, did that this past spring.
