Thanks for all the suggestions. I had a great time at the Trad shoot and never did get in any fishing. However, I did take a breaf Sat afternoon and rode around to check out the water for my next trip. What a great area of PA. It was nice being back in the area. I shot my first deer near Port Allegheny back in 1967. That was a while ago. I'm starting to make plans to make it back up in SEP for a early fall fishing trip.
