20 fish on the Susky is something to get excited about I have caught 1 susky SMB in 4 different attempts! It may not be on a come back but is good to hear!

As for Perry County...it has been good to me as a visitor.

One more note: Pittmans riverside Campground...very nice, well kept great prices, right next to river access, BUT bring ear plugs or a hard side camper! The trains! All night the trains!!!!
