J,

For getting down a pool quickly, kayak over pontoon but for pure fishing purpose, pontoon wins. You could use the kayak with a group of friends to do a booze cruise. Do that with a pontoon and they'll make you the pack mule. You'll have to carry everything. Cargo capacity, pontoon. Standing up, pontoon. Nearly impossible to flip, pontoon. With the kayak, transport is easier and you don't have to monitor psi of the bladders. Each has good and bad points. Since I only use it for fishing, the pontoon made the most sense for me.
