Maybe also check out the little stream that flows thru Spring Valley Park in southern York County? Probably about 30ish minutes from Muddy on the country roads, south of Dallastown/Red Lion, the E. Branch of the Codorus I think it is, my old stomping grounds as a kid. Though it might be a bit warm in the summer time, especially outside the park in the pasture zone and on down towards the Izak Walton property, maybe Maurice will chime in...
