I know Evening Hatch is close to the Lehigh River, but I'm not driving 50 some miles from the Lehigh Valley to buy materials. I wish there was a good shop in LV, sigh.

It's just South of the Lake Harmony exit of the turnpike on Rt 940. Pretty nice shop, and one of the better selections of tying supplies in Eastern PA.

I too wish it were a bit closer to the LV - funny thing is that the owners live in Allentown!

Sometimes ya just gotta see what you want to buy, so I sometimes drive up there. Their hackle "wall" is pretty awesome.

They also carry flies that are popular on the Little Lehigh - Stan Cooper ties for them, as he did for the LL Fly Shop.
