I'm very open to doing two of them. It's no drain at all for me to open up the camp for everyone.

I'm putting feelers out there for 2014 because starting this November, my school load is going to double so as I can graduate in May of 2014. The spring of 2014 is pretty much out of the question for me as far as any kind of fishing is concerned, until I graduate.
