I have carried on a small luggage bag with my clothes, a backpack and 2 rods without checking any bags. Everyone does this now. Nobody likes the baggage fees.

Ok, so you carried the rods on in addition to the duffle and small luggage?

That sounds like the ideal situation for me as I may be able to take all I need with no checked luggage. I'm debating whether to take waders and boots so that still might change things for me.

Thanks,
