I live in Boiling Springs, just got home from the Breeches at 9:00 PM (caught 3 right at dark). We all need to support the area's fly shops or they won't be around much longer. I don't know about you guys but buying fly gear at Bass Pro or Cabela's just isn't the same as a small shop. Roland's been helpful every time I go in there.

I'll slightly disagree, I have felt more welcome in the Harrisburg Bass Pro fly shop that I ever was in YBO (past and present).

I wont make a blanket statement and say that all big box stores are like that but there are some good guys that work in the Harrisburg BPS.
