so why the gag order in the first place?? wouldn't be because they screwed up?? oh no, I thought this was all very safe and proven, we have nothing to worry about, it's all good right???? RIGHT??

also says that even after the settlement, there is no proof they were affected by the gas drilling, ok, then why the settlement??

oh yeah, money talks, here, take this large bag of money and shut up.

thing is, they can't make everyone shut up.
