Fyi the wonderous redington warranty is send them your rod and \$30 so \$30 + shipping to washington is more like \$40-60 insured. I have a pursuit love it other than it has a broken tip I dont wish top pay so much to have it replaced.

To me the \$30 shipped from st croix sounds pretty good. But if cabellas replaces 100% free that theres the winner. One day im gonna buy me a tqr from them, slow, short 5wt.... mmmmmmmmm.....
