I'd look into TFO. Great rods for a good price. I have 4 TFO rods ranging from 4wt to 8wt. My 8wt is a TiCR X rod. I absolutely love it. It casts like a charm & did not break the bank. Some of there other models are good also. Good warranty. The only really annoying thing is they don't come with a rod tube, so you have to pay a little extra to get one of those.
