If I had Mon & Tues off....I'd jump on the turnpike, head 2ish hours west to Carlisle Sunday morning, check out Big Spring and the Letort during the day, then have a bite to eat around 5-6o'clock and hit the Breeches for the Whitefly hatch until dark o'clock at Allenberry (it can be crowded for the hatch but usually worth it). Stop in at YBO in Boiling Springs for up to date beta and some flies if you need 'em. Then make the 1:45ish drive up to State College-ish area and explore those streams Monday & Tuesday....Penns, Spring and the Little J, Fishing Creek is a nice one too.
