I'm not set on trophy hunting the whole time at all. Just want to hopefully get into some decent size fish **with some nice scenery** - my trophy chasing days ended when I moved from Colorado (you're always shoulder to shoulder in trophy water anyway). I definitely plan on camping rather than stayin in a hotel if this affects anyone's advice.

I would rather fish the mtns. than south of rte. 80 with traffic and people and crowds.etc. just saying. plus camping in the forest along a stream just can't be beat.
