H.A. - Does he have insurance for something like this?

No.

The thing that bothers me most about this, is that the thief knew what to take. The thought that a fellow flyfisher *may* have done this is disturbing.

When Dave was selling Rod's stuff, Dave told me some stole a reel from the case while Dave was in the shop. It is sad that people would do that kind of stuff.. I agree with you Ed, I hope that it was not a flyfisher either.
