Best bet is to call ahead of time to find out what they have in stock to try on.

Toll free numbers:

K.O.P. 1-888-473-1828

Center Valley 1-888-552-9885

One thing to keep in mind - the store's stock is likely to be much diminished, compared to say, April. They rely on the free shipping thing to keep inventory down in non-peak seasons.

With da Bean's free shipping policy, and excellent return policy, it might be just a time issue to get the waders you want and the proper fit.

Shipping is free, but there is 6% state sales tax.

Gimme a call if I can be of further assistance. 😊
